Pursuant to Arkansas Code Annotated § 6-11-129, § 6-17-201(d) and § 6-17-2301(d) requires school districts and public charter schools to post to the district website a copy of the Board approved classified and licensed personnel policies and salary schedules for the two previous school years, and to notify the Arkansas Department of Education (ADE) no later than September 15, 2018 of the website address where the current schedules and policies can be located.

Act 228 of 2013, which will be effective on August 16, 2013, requires all data required to be published to a district's website under Ark. Code Ann § 6-11-129 to be easily accessible through the homepage of the website under a link titled "State-Required Information."

The Jonesboro Public School District Board, in compliance with these requirements, approved the 2018-2019 Personnel Policies on May 8, 2018. Salary Schedules and additional policies were approved on June 12, 2018. Additional policies were approved July 10, 2018.
