

USES OF NATIONAL SCHOOL LUNCH ACT (NSLA) FUNDS

2016-17, 2017-18, and 2018-19

National School Lunch Act (NSLA) Funds are used to:

- Purchase and maintain technology software, materials, supplies and equipment
- Hire and train personnel to support curriculum development, classroom instruction, data-based decision-making, technology integration, etc.
- Provide a district nurse to support safety and wellness of students
- Offer a Pre-Kindergarten program for 3- and 4-year-old children
- Support alternative education services (SUCCESS)
- Provide supplemental instruction and coordination of services for students who are English learners
- Hire highly-qualified tutors to provide supplemental instruction during the school day and afterschool.
- Provide early intervention services
- Hire human services personnel to assist with parental involvement, safety, attendance, and academic achievement of students
- Provide instructional materials to improve student learning in literacy, science, and math
