

JPS Internet WIFI Access Information

JPS has reconfigured our WiFi at the buildings to allow for a scheduled "Guest Access" period between 7 a.m. and 8 p.m. each day. This will not require a password so students and teachers can go to whichever campus is closest to them if they need access to the internet.

You should be able to get a signal in the parking spaces closest to each building. JHS is an exception. Near the gym is the best place to get wifi in your car. Otherwise you would need to walk closer to the building. A few buildings have good signal strength throughout the entire parking lot. (Math/Science, Success, VPA)

Here is a list of a few other places we know of that have guest wireless; In order to pick it up in the parking lot you will probably need to be as close to the building as possible at most locations.

- Walmart
- Buffalo Wild Wings
- Dairy Queen
- Steak and Shake
- Public Library
- Downtown Main Street
- Several banks (notably Iberia on Highland and First Community Bank on SW Drive)
