SCHOOL NURSE

★ Nurse Hannah ★

HELLO STUDENTS!

Welcome to International Studies! My name is Hannah Johns, and I'm so excited to be your SCHOOL NURSE! We plan on staying healthy and safe this school year, but I will always be here to help if needed! Below you will find more information about me and our school's health requirements. I can't wait to meet you soon!

ABOUT ME:

I'm 26 years old and I live here in Jonesboro with my husband and 2 year old son, I also have a dog named Sadie. I love reading and seeing my friends when I'm not at work or hanging out with my family. I have worked with children for 10+ years now, and it is truly my dream and passion to care for your children like they are my own here at school.

EDUCATION BACKGROUND:

I have a Bachelors Degree in Nursing and my Pediatric Critical Care Certification. I previously worked in the ICU at Arkansas Children's Hospital for 4 years, and now I have been the School Nurse at International Studies for 2 years and love every second of it!
