August 16, 2021

Dear Parents and Guardians,

St. Bernards will be conducting COVID-19 vaccinations on **Wednesday, August 25, 2021** at our three secondary campuses: The Academies at Jonesboro High School, Annie Camp Jr. High, and Douglas MacArthur Jr. High. ***This vaccination clinic is for anyone that needs their FIRST or SECOND dose of the Pfizer-BioNTech COVID-19 vaccine.*** The vaccine is the Pfizer-BioNTech COVID-19. If you have not done so, we encourage you to consider this opportunity for your child. Staff and students who are vaccinated decrease the number of persons who have to quarantine if there is exposure to COVID-19. This in turn will reduce the chance of missed opportunities for our students during the school year. Vaccinations will be available for students age 12 and above. The vaccination clinic will be at the following times:

Annie Camp Jr. High from 8:00 am until 9:00 am

The Academies at Jonesboro High School from 10:00 am until 12:00 pm

Douglas MacArthur Jr. High from 1:00 pm until 2:00 pm

The vaccination clinic is also available for parents and siblings who are over the age of 12. Students don't have to be accompanied by a parent or guardian, but must have the consent form filled out and signed.

The second dose for those receiving it on August 25 will be given on **Thursday, September 16** at your students' school campus, and a ***second vaccination consent form will be needed.***

Sincerely,
Dr. William Cheatham
Assistant Superintendent
Jonesboro Public Schools
