July 21, 2021

Dear Parents and Guardians,

St. Bernard's will be conducting a COVID-19 vaccination clinic for your students protection on Wednesday, August 4, 2021, at JHS. We encourage you to consider this opportunity for your child. Staff and students who are vaccinated decrease the number of persons who have to quarantine if there is exposure to COVID-19. This in turn will reduce the chance of missed opportunities for our students during the 2021/2022 school year. Vaccinations will be available for students age 12 and above. The vaccination clinic will be from 10:00 am until 12:00 pm. The vaccine is the Pfizer-BioNTech COVID-19. The drop in clinic will be at the JHS Gym lobby.

The vaccination clinic is also available for parents and siblings who are over the age of 12. Students don't have to be accompanied by a parent or guardian, but must have the consent form filled out and signed.

The vaccination clinic on Wednesday, August 4 will be the first dose. The second dose will be given on Wednesday, August 25 at your students secondary campus, and a second vaccination consent form will be needed.

Sincerely,
Dr. William Cheatham
Assistant Superintendent
Jonesboro Public Schools

COVID Vaccine Consent Form

 YES NO
- 10. Are you immunocompromised or are you on a medicine that affects your immune system?
 YES NO

(OVER)

CONSENT FOR VACCINATION:

I have been provided with the most current Fact Sheet for Recipients and Caregivers for the Emergency Use Authorization of the Pfizer-BioNTech COVID-19 Vaccine to prevent Coronavirus Disease 2019 (COVID-19) that explains the benefits and risks of receiving vaccination. As with all medical treatment, there is no guarantee that I will not experience an adverse side effect from the vaccine. I understand that if I receive one dose of the Pfizer-BioNTech COVID-19 Vaccine, I should receive a second dose of this same vaccine 3 weeks later to complete the vaccination series.

I request that the vaccine be given to me.
