

JONESBORO PUBLIC SCHOOLS MAGNET ELEMENTARIES

YOUR CHILD IS READY FOR ELEMENTARY – NOW IS THE TIME TO CHOOSE A MAGNET!

Jonesboro Public Schools is an exciting district full of many opportunities for your child. Magnet Schools are schools of choice which offer expanded educational opportunities for students in the JPS District. The schools are built around specialized themes and offer in-depth experience and study. Our Magnet Schools offer an outlet for your child's interests while still following the core curriculum that is required by the State of Arkansas. Visit each school and see what is the right fit for your child. We know you will find a school that your child will love when they decide to be a part of the Golden Hurricane!
